

MBChB Phase 1 (including BSc (Hons) programme) student checklist

This checklist is intended for use alongside web pages and other resources. You may find it helpful to print a copy and tick off things as you do them.

University new entrants web page

- look at the University's new entrants and orientation web pages
- organise accommodation
- ensure you have received your University email account
- ensure the University knows about any special needs you may have, for example because of a disability
- pay fees
- from August – complete matriculation online

School of Medicine & Flying Start web page

Things to do: -

- read the Protecting Vulnerable Groups letter, then email 3 forms of ID to medpvg@st-andrews.ac.uk
The deadline to complete the PVG process is the beginning of Orientation week.
- complete the Occupational Health Questionnaire via the link that will be sent to you directly from our Occupational Health provider.
- read, sign and return the Standards of Fitness for Entry to and studying Medicine (HEOPS statement) the link is included in your email from md2000@st-andrews.ac.uk – deadline 20th August 2026.

Things to read / look at: -

- advice on textbooks
- advice on computers / printers
- School of Medicine Agreement (but don't sign it yet!)
- St Andrews Medic Fresher's Facebook page
- Look at the School's Orientation week timetable

Things to bring

- Passport – original and a copy
- Birth certificate – original and a copy
- Driving Licence (if you have one)– original and a copy
- National Identity Card (if you have one) – original and a copy
- Immunisation history
- clothing for clinical sessions – see Clinical Skills Dress Code
